Dear Greeley Police Department Retiree:

Over the past month, the Greeley Police Department has been working on several issues related to retirees.

You are receiving this letter to let you know about recent changes made to General Order 160, Retired Officers Identification Card. The general order is attached to this letter. The two specific changes in the general order deal with the identification card you receive as a retiree. Future issued identification cards will now also be prox cards. These cards will allow retired officers in good standing access to the main police department facility. As noted in the general order, these cards remain the property of the Greeley Police Department and must be surrendered upon request by the Chief of Police.

Additionally, retired officers are authorized to purchase a "flat" wallet badge with the marking "retired." These purchases are at the expense of the retired officer.

On March 10th, 2015, the Greeley Police Officers Association, in coordination with the general order changes, authorized retired officers in good standing access to the gym located in the main police department building. Interested retirees will be authorized to use the gym at no cost. Those interested will need to complete a waiver through the Greeley Police Officers Association. The use of the gym will be for those retirees who have prox card access to the building. The association has also authorized retirees to utilize the coffee fund at no expense.

As an organization, we find it important to make sure retirees continue to be treated as family members. We invite you to stop by for coffee, utilize the gym, and stay in touch with the organization.

To begin the process of issuing new identification cards with prox card abilities, please complete Appendix A attached, and contact Lt. Adam Turk to schedule an appointment for a new picture. During the appointment, we will make accommodations to have you complete the waiver for the gym. You can contact Lt. Turk by email at: adam.turk@greeleypd.com or at 970-351-5381.

Thank you for your service to the Greeley Police Department and the City of Greeley. We hope you find these changes beneficial.

Sincerely,

Chief Jerry Garner
