

General Order 224.00

Reviewed: 02/15

224.00 MANAGEMENT INFORMATION SYSTEM

- The reporting system will encompass three basic reporting mechanisms.
 - Daily Reporting: Supervisors will use the department's e-mail system to provide notification concerning situations of interest that occur throughout the day.
 - Monthly Reports: Division Commanders will be responsible for preparing a monthly report directed to the Chief of Police. The monthly reports will provide statistical and narrative information concerning topics approved by the Chief of Police.
 - Annual Reports: Annual reports will contain a total statistical review and narratives to support the requested information.
