537.00 SUBPOENA SERVICE/DEFENSE COUNSEL CONTACT

- Subpoenas issued by the Weld County District Attorney's Office for officers of the Greeley Police Department will be served on the individual officer through the Colorado District Attorneys' Council (CDAC) e-subpoena system. The e-subpoena is located at:
⊖ www.cdacweb.com/ESubpoena/SubpoenaViewer.aspx.
- Subpoenas issued by the Public Defender's Office for Greeley Police Officers will be delivered to the Operations Division by personnel of the Public Defender's Office if they wish to utilize the Department's subpoena service system.
- An administrative assistant assigned to the Operations Division will log and enter into the appropriate program of the Department's computer system each Public Defender's subpoena received for service within the Department. The subpoenas will then be placed in the appropriate Watch Commander's box, the Investigations box, or the appropriate Division Captain's box for distribution.
- The Watch Commander or shift supervisor will be responsible for the distribution of Public Defender's subpoenas for officers on their shift. The supervisor will be responsible for the personal service of each subpoena to the named officer or investigator. At the time of the service, the return receipt will be signed by the officer and will be given back to the administrative assistant.
- The administrative assistant will log the Public Defender's subpoenas return receipts in the computer and have them returned to the Public Defender's Office via email, fax or US Postal Service.
- When a subpoena is received by an officer, that officer is responsible for checking the appearance dates and will take appropriate action to notify his supervisor and/or prosecutors through the e-subpoena website if potential problems are evident. When a Public Defender's subpoena is received and the affected officer is on extended leave, his immediate supervisor will return the subpoena to the issuing authority noting the officer's projected return date to duty.
- Investigators or officers who miss court appearances or Department of Revenue hearings without justification will be subject to appropriate disciplinary action. When an officer has been subpoenaed to testify and he
