

GREELEY POLICE DEPARTMENT

General Order 513.00

Revised: 02/23

513.00 JUVENILE OPERATIONS

- Although all components of the department are required to support juvenile operations to facilitate specialization, this function will be centered in the Investigations Section, General Assignment Unit and the Gang Intervention Unit, which will concentrate on the control of delinquent activity; and the SRO Unit which will concentrate on programs directed at the prevention of delinquency.
- The SRO Unit will be responsible for designing and implementing programs intended to prevent and control delinquent and criminal behavior by youthful offenders.
